NOTES for Spring Schedule:

March Mystery Club Member...Who AM I?

I grew up a middle child in a family of eight kids in Albany, Minnesota. My college years took me to the Twin Cities, where I graduated from the U of M with a bachelors degree in Mechanical Engineering. I had seen the northwest, and a job offer from Boeing was my ticket out west. I love the outdoors, hiking, skiing, and biking. One summer I took a leave of absence from Boeing and biked coast to coast. After five years with Boeing, I took a five-year hiatus from the workplace, giving me the opportunity to travel, volunteer, and pursue hobbies full time. One volunteer activity was childcare at a YMCA, where I learned to play racquetball. Later I worked as both a research analyst and a systems analyst for 25 years at the Oregon Department of Consumer and Business Services. In Oregon I met my wife, who shares my interests in the outdoors, hiking, skiing, and biking. We found Sun City by chance during a ten-day visit to Tucson in late 2015. We rented bikes and rode all over the metropolitan area. We knew right away that we wanted to move here. I play a little golf and some card games, including pinochle and sheephead.

Can you guess who this is?? Their name can be found at the bottom of this page.

NOTICE: Weekly Skills Clinics Suspended

The weekly skills clinics that have been held on Tuesday and Saturday afternoons are suspended until Fall.

These clinics have been a huge success because of our member volunteer instructors.
